Members represent the American Lung Association, health providers, educators, pharmaceutical company representatives, asthma sufferers, and parents. The Central Idaho Asthma Coalition (CIAC) meets quarterly in February, May, August and November to discuss and promote asthma education in our community. Membership is open to all and a light lunch will be provided.

We are actively searching for new members to be part of our group. Perhaps you are an interested parent of an asthmatic child, a coach who deals with asthmatic athletes, a nurse who works with asthmatic students, or a childcare provider who cares for asthmatic children. If you or your organization has an avid interest in facilitating the coalition's efforts to promote and present asthma education in our local community, we would love to have you join our team.

Contact Jennifer Darling at 208-327-8591 or jdarling@cdhd.idaho.gov.
